3.3.4 Outreach activities in the community in terms of influencing and sensitizing students to social issues and contribute to community development.

Response:

Teaching, research, and extension are the three pillars of the success of a higher education institution. Guru Nanak College of Education Bidar. College undertakes various activities to inculcate social values like teamwork, sustainable living, and a positive attitude. The primary goals of social activities are to foster empathy and a sense of responsibility for society. The college coordinates social awareness programs, health care programs, and environmentally friendly activities to take part in social development and contribute to the growth of society. The college organizes many programs that promote a feeling of pride and respect for the nation by commemorating National Day, Women's Day, Teachers Day, and the birth anniversaries of prominent people in order to make the student teachers aware of societal concerns and difficulties. In order to instill cultural values among the student teachers, the institution organizes a variety of cultural programs. Student instructors hold a number of competitions throughout their internship to help students develop their leadership skills. It aids in raising educational standards. The college organizes the following activities to promote harmony between the college and society:

1. Under social activities the college organizes programs like “Tree Plantation, Swachh Bharat Abhiyan, Blood Donation Camp, Plastic collection drive, Clothes and Food grains Donation in the slum area”.
2. Activities focusing on yoga, physical exercise, and meditation are conducted for mental health.
3. Tree plantation programs are organized on the occasion of 5th June World Environment Day regularly. Medicinal plants were cultivated along with other plantations in the college and its surroundings.
4. Under the Swachh Bharat Abhiyan initiative, activities like cleanliness and plastic donation drives are implemented in the vicinity of the college every year. During the covid-19 masks were distributed to needy people.
